

Global Scientific Guild Conference

Program

Global Webinar on Neuroscience and Brain Disorders

October 25, 2023

Conference Chairman

Dr. Luiz Moutinho
University of Suffolk, England

Conference Co-Chairman

Dr. Zhenhuan LIU
Guangzhou University, China

+91 9491 456 452

October 25, 2023

Timing: 09:00-14:20 Eastern Daylight Time (EDT)

09:00-09:10 Introduction/Opening Ceremony

09:10-09:45 **Title: Futuristics Insights into BioNeuroSciences**

Prof. Luiz Moutinho, University of Suffolk, England

09:45-10:10 **Title: Neuroimaging by Evaluation Nerverenovate and Neuroplasticity of Acupuncture in Chindren with Cerebral Palsy**

Dr. Zhenhuan LIU, Guangzhou University, China

10:10-10:35 **Title: Intimate Partner Violence: Concussions (Brain Injury Category)**

Dr. James Frizzell, Frizzell Forensics, Canada

10:35-11:00 **Title: Towards a Science of Change for Functional Neuroimaging Research**

Dr. Daina Crafa, Vrije University Amsterdam, Netherlands

11:00-11:25 **Title: Activation of autophagy and neuroinflammation in brain tissue of rats with prenatal hyperhomocysteinemia**

"Dr. D. S. Vasilev, I.M. Sechenov Institute of Evolutionary Physiology and and BioChemistry, Russia

11:25-11:35 **Break**

11:35-12:10 **Title: MoveON: Understanding Anger and Anxiety**

Ms. Karen Tompkins, MoveON with Ktompkins, Canada

12:10-12:45 **Title: Mitochondria Organelle Transplantation (MOT™): Potential therapeutic approaches in neurological diseases and aging**

Prof. Mark S. Kindy, University of South Florida, Tampa, USA

12:45-13:20 **Title: Neuromarketing : How Brands Decode Consumers Mind ?**

"Dr. Saikat Gochhait, SIDTM, Constituent of Symbiosis International Deemed University, Neuroscience Research Institute, Samara State Medical University, India

13:20-13:55 **Title: Recent Advances of Magnetic Gold Hybrids and Nanocomposites, and Their Potential Biological Applications**

Dr. Mirza Muhammad Faran Ashraf Baig, The Hong Kong University of Science and Technology, HKSAR, China

13:55-14:20 **Title: Therapeutic ketosis and the broad field of applications for the ketogenic diet: Ketone ester applications & clinical updates**

Dr. Raffaele Pilla, Fatebenefratelli Hospital, Italy

Note: Speakers slots are still available

Next Event:

**2nd Global Webinar on
Neuroscience and Brain Disorders
March 27-28, 2024**
